"Lawn Garden" and "South View" Additions

Are located on Harrison and Jackson Streets between Saxony and 25th avenues, only about ten minutes walk south from Standard Avenue. "At every foot the spade will smile—and every spade produce worth while"

Cozy homes, fine school, dustless pavements, sun-kissed fields of home grown vegetation. Shady nooks in wood-lots and orchards, everything here breathes nature and contentment. Not another spot in this whole region that can compare with "LAWN GARDEN" and "South View" for ideal garden home sites. But even that is not all—Hammond is growing south so rapidly that it will be a question of only a few years when these "acres" will be absorbed by exclusive city lot subdivisions.
